

CROP CIRCLES, NOSTRADAMUS & LEONARDO

NIBIRU SOLAR SYSTEM AFFECTING EARTH AND VENUS

The biggest clues here are the two suns and the cross on the side of the huge planet. When creating a sun crop circle – they always appear with the brightness displayed in this manner – and there are four of them here. The second huge clue is the Cross (of Hendaye, the Templar cross) on the side of the huge planet straddling the road. There are four smaller planets with atmospheres, one with a tectonic ‘crust’ showing. The other is Venus. The top illustration was screen photographed from Facebook and the top comment is most certainly not mine – there is nothing “humorous” about this crop circle warning whatsoever!

July, 2005, certainly was one of the most humorous formations I have seen. As one can see the formation is on both sides of the road with one circle straddling the road itself. If viewing this on the main Timeline you will probably have to click on the photo to see the full image.

Expanded illustration follows

Helen Parks Looks to me that the road is the PATHWAY of the planet which it sits on. The Earth is right there with her atmosphere. See the big cross on the side of that big planet? That is the cross of the Anu which went on to become the Templars Cross. Now put this into perspective... at the top are TWO SUNS with what looks like Earth and Venus. At the bottom is a separate picture of the same event with the second sun smaller than the Nibiru planet... drawing our moon away, now look closely at the crust of the Earth in the bottom picturegram

This illustration shows the same event at two different stages – see the cross on the side of the big one?

In front of the red dwarf sun which is on the lower side of the road is what could be our moon – being separated. A tiny black dot.

The two separate events seem to show ‘before’ and ‘after’, since the top side of the road shows Venus still has her thick atmosphere and Earth still has her airy atmosphere.

Earth is in the bottom ‘after’ shot with parts of her tectonic plates being pulled towards the huge planet.

The cross of Hendaye is on the side of the large planet and could even be saying the PLANET OF CROSSING

The extra density of Earth’s atmosphere has been described in Genesis 1:6-8, also by Enki in the Lost Tablets and by **da Vinci**: –

“The water fallen from the clouds will so change its nature as to remain for a long space of time upon the slopes of the mountains without making any movement.

(Glaciers? Or heavy clouds suspended)

And this will happen in many and divers regions:-

The snow that falls in flakes which is water.

A great part of the sea will fly towards the sky, and for a long time it will not return:- That is - in clouds”.

“You will see plants continuing without leaves, (SUNLESS) and rivers standing still in their courses.
THE EARTH STANDS STILL – ONE SIDE IS DAY AND ONE IS NIGHT

PLANTS CONTINUING WITHOUT LEAVES MIGHT MEAN THAT FUTURE GENERATIONS CONTINUE
MINUS THE FEEDING FORCE OF PARENTS AND OTHER SUSTENANCE, TURNING INTO JUST THE RUDIMENTS OF HUMANS

“The water of the sea shall rise above the high summits of the mountains:
And many creatures of the earth and of the water will mount up among the stars:- THE ZOO-DIACS

AN ALTERNATE MEANING MIGHT BE THAT ALONG WITH THE WATER BEING FORCED INTO THE SKIES, THE CREATURES
WITHIN THAT WATER

“And by reason of their boundless pride (HUMANS) they shall wish to rise towards heaven, but the
excessive weight of their limbs shall hold them down.

There shall be nothing remaining on the earth **or under** the earth or in the waters that shall not be
pursued and molested or destroyed, and that which is in one country taken away to another;

TAKEN AWAY TO THE “PIGSTY IN THE SKY” SAID NOSTRADAMUS IN the CRONO VISOR forum

Those living *below* will trust him:

THERE ARE TWO WAYS TO TAKE THIS, ONE OF THEM IS THE FALSE RAPTURE:

- 1) They will trust their president to look out for them when he says it is safe to go to the bunkers (living below)
- 2) They trust in those who say they are from Sirius (Ysus) to ‘catch them up’
- 3) (Revelation 4: 1-2. Read Jesus as Ysus)

Looking at the Greek words for “come up” and “caught up” will show that John’s being called up to heaven cannot be an image of the rapture. The word for “come up” in Revelation 4:1 is *anaba* (from *anabainō*) which means:

to rise up from the depths to the heights.” It is used for climbing aboard a ship, mounting a horse or climbing a mountain.¹⁶⁴

The word for “caught up” in 1 Thessalonians 4:16–17 is *harpagaesometha* (from *harpazō*) which means:

“To take something forcefully” (firmly, quickly or rapaciously). Thus a. “to steal.” b. “To capture in war.” c. With the thought of speed. d. “To take rapaciously.” e. “To take a man by force.”¹⁶⁵

Harpagaesometha has a sense of force that is nonexistent in the word *anaba*. Notice who is taking the action in the two events: In Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2, John is called to ascend to heaven. The one taking the action is John. In 1 Thessalonians 4:16–17 Jesus takes us forcefully from the earth by His power.

Revelation 4:1–2 is claimed to represent the rapture. However, not a single proponent of this view claims that when Paul was “caught up” to heaven in 2 Corinthians 12:2 this “caught up” represented the rapture! Paul uses the same word “caught up” (*harpagēta*) as he uses in the his rapture passage of 1 Thessalonians 4:16–17 (*harpagaesometha* – same word, different verb tense). The one performing the action is God in both 2 Corinthians 12:2 and 1 Thessalonians 4:16–17.

If Revelation 4:1–2 was intended to display the rapture, one would expect John to also have used *harpazō*. The word used in Revelation 4 does not fit the action of the rapture and must not be forced into the verses to prove the timing of the rapture.

One final comment that should seal the issue: If John intended to use the word *anabainō* to speak about the rapture, we would expect that he would use the same word for “caught up” in Revelation 12:

And she gave birth to a son, a male child, who is to rule all the nations with a rod of iron; and her child was caught up to God and to His throne.
(Revelation 12:5)

OF THE SHADOW CAST BY THE SUN (OF NIBIRU) AND OF THE REFLECTION IN THE WATER SEEN AT ONE AND THE SAME TIME

“Many times one man shall be seen to change into three and all shall proceed together, and often the one that is most real abandons him. SHAPE SHIFTERS & CLONES

THE SHADOW IS CAUSED BY NIBIRU AS IS THE REFLECTION.

“The sea water will raise over the high peaks of mountains towards the sky and will fall over the people’s homes.

OF THE WATER WHICH FLOWS IN A TURBID STREAM MINGLED WITH EARTH, AND OF DUST AND MIST MINGLING WITH THE AIR, AND OF THE FIRE WHICH MINGLES ITS HEAT WITH EACH

“All the elements shall be seen confounded together, surging in huge rolling mass, now towards the centre of the earth, now towards the sky,

OF THE THURIFER WITH INCENSE

Some shall go about in white vestments with arrogant gestures threatening others with metal and fire, which yet have never before done them any harm.

BIG PHARMA where ‘Thurifer’ could be a pun on THIMEROSAL (thiamersal) an organomercury compound in vaccines

WHITE VESTMENTS – a laboratory coat

A thurifer is a cleric (priest/druid/paladin) who swings a thurible.

A thurible is a round metal crucible which emits smoke – a censer.

Except for da Vinci, and Nostradamus, no-one ever thought that “clouds” could be used as weapons – until the advent of chemical WARFARE H.A.A.R.P and CHEMTRAILS

*Premier fils vefue malheureux marriage,
Sans nuls enfans deux **Ifles** en difcorde,
Auant dixhuict incompetant eage,
De l'autre pres plus bas fera l'accord.*

This spelling and punctuation is taken from Erika Cheetham, albeit, the Original quatrains have not been faithfully trans-located it seems – by anyone see below... the word “vefue” is from the Latin **Ifles = Is Els Life’s files ...flies**

*First son forceful unhappy relationship
Without no children two islands in discord,
Before eighteen incompetent[inept] age,

OUR SUN & NIBIRU
TWO PLANETS IN DISCORD WITH SATELLITES
BEFORE 2018 THE AGE CHANGES
BETWEEN 2013 (lower) & (higher ebb) 2018

“Island” always means “planet” – this is the “key” word in this quatrain, the word which “unlocks” the true meaning **sans nuls**

double negative: “without no children” – saying “with some (plural) children”- with some smaller planets **eage**

should be (is) saying **étage** which means “stage = level-floor-story but in this case “orbit” that is - incompetent orbit. This **implies age** in that a year depends on the orbit – as do the “ages” in the bigger picture Incompetent age can also be taken to mean that we are all non thinkers

l'accord. plus bas

THE “OTHER ARRANGEMENT” “FURTHER DOWN” IS THE ONE QUARTER ROLL OR **LYING DOWN** OF EARTH

lower ebb

INDICATES MORE THAN ONE THING. IT IS ABOUT “TIDES” THEREFORE TIMING, BUT ALSO INDICATES “FLOW” OR “STATE OF BEING” OR “POSITION”- THIS INCLUDES BEING SUPINE OR BEING IN THE WRONG PLACE

If one looks closely at this illustration several subtle clues can be seen – there is God’s hand holding a planet with an enclosed atmosphere. The angle of the tilt is clear – an “angry” sun and the moon being moved. The five stars mean Cassiopeia, so this may be the “god” intended, but the salient point is the callipers held by another ‘god’. They are measuring about one quarter of the hemisphere, just over 5,000 Nautical Miles

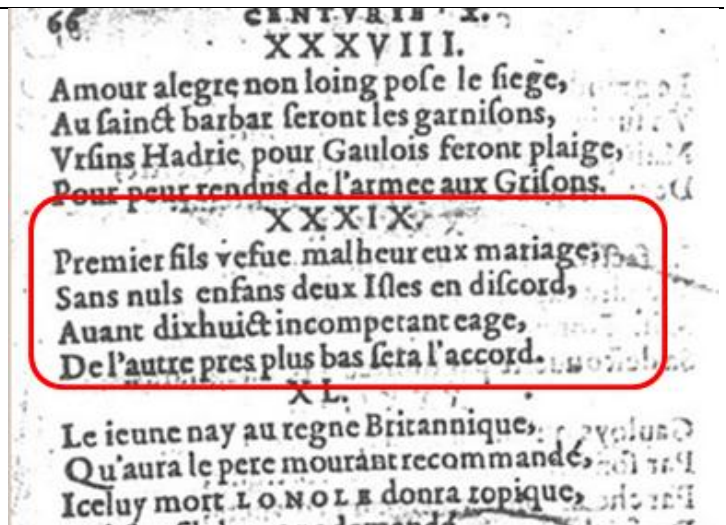

ISAIAH 24:20 The earth shall reel to and fro like a drunkard, and shall be removed like a tent; and its transgression shall be heavy upon it; and it shall fall, and not rise again.

Here is the very original quatrain for 10: 39
There are differences which are easy to miss
Here is how it is spelt by most modern coders

10 39

Premier fils veufve malheureux mariage,
Sans nuls enfans deux isles en discord:
Avant dixhuict incompetant eage,
De l'autre pres plus bas sera l'accord.

The differences may seem small, but they have huge meaning, as noted on the previous page
