

PUTIN

Here is a collection of the Hidden Texts which speak of Vladimir Putin – the Most Important Person on the planet in 2015. There will be those of you who will argue adamantly that “once KGB, always KGB”. Yes, the young Vladimir Putin was nothing to be proud of, and right up until December 26 2012 he remained that way. Yet, there would be no better training for a man in his position with the world problems he encounters... So here is a thought or two:

We hear people saying “all that 2012 hype came to nothing, what a load of garbage” and the persistent internet and mockumentaries on the History channel did leave us all with a “what was that all about”? sensation.

It still remains that “FEEL MIRACLES REFLECTED CQIN” where Cqin means the Chinese year of the dragon when the week of December 21 2012, the Gulf Stream current was seen to be reversed around the point of the Maelström (ushering in the new ice age) and then of course the matter of December 13th, St Lucy’s Day, the two asteroids passing safely by without a peep from NASA... plus we have this:

Cassidy explains that “Putin” looked a bit pale after his “return” and she was told that he had met with “Off-world” races. She explains that she’s been told that Earth-bound humans get “sick” when they interface with aliens on their craft. Parkes explains *that’s true* and most* of the time it’s because the aliens are usually existing at a somewhat higher frequency of vibration which disrupts our metabolism.

The first several minutes is just getting the connection with Simon, then at 23 minutes and 33 minutes discussion regarding Putin and again towards the end about three quarters of the way into the video.

Putin Just Brought The Rothschilds To Their Knees (Video)

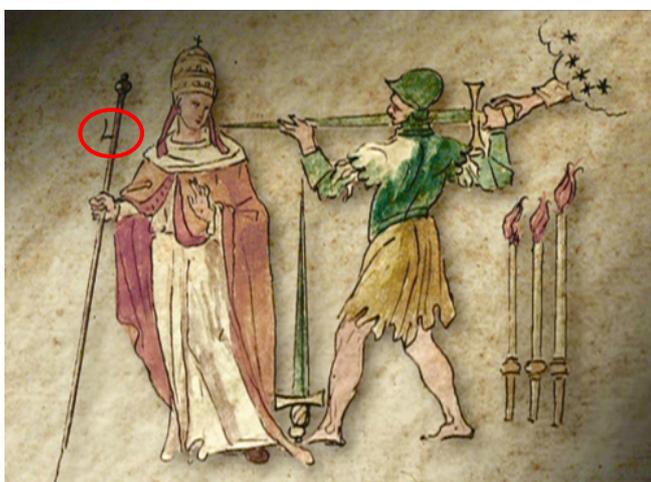

(N.Morgan) Has Vladimir Putin managed to bring the Rothschild Dynasty to its knees? Has someone finally destroyed the monopoly known as the Rothschild Empire. In the video below, *Lucia Costants* explains just how Putin has destroyed the Power Elite. The illuminated Cabal are desperate to start a world war, not only to white wash their scams worldwide so that Wall Street can keep the \$40 trillion they have stolen.

CONTRIBUTOR: SGTreport. from STARR-IM BACK-PRIESTESS: Putin says NO to the NWO which makes Jacob Rothschild a little nervous. He needs Russia on their side to fulfill and complete this Agenda but Putin says NO and will fight against this. Obama is really getting on Putins nerves though because he can't see why...

PUTIN TO WESTERN ELITES: PLAYTIME IS OVER

Vladimir Putin's speech at the Valdai International Discussion Club's XI session in Sochi Oct 24 2014

Summarized points:

1. Putin will no longer play games and engage in backroom "negotiations" over trifles.
2. All systems of global "security" now lie in ruins, the entity that destroyed them is the U.S.A.
3. The builders of the "New World Order" have failed, having built sand castles.
4. Russia favours a conservative approach when innovating new social orders, and is in favour of investigation to see if any are justified.
5. Russia has no interest in building new "empires" based on chaos.
6. Russia has no interest in reformatting the world, nor will she allow anyone to reformat her.
7. Russia does not wish for chaos to spread, she does not want war and has no intention of starting one. However she is prepared for war and has no fear of war.
8. Russia does not intend to take an active role in thwarting those who are still attempting to construct their "New World Order", unless their efforts begin to impinge on Russian key interests. Those who attempt to drag Russia into this process will be taught the true meaning of pain.
9. In her external and internal politics, Russia's power will not rely on the elite's back room dealings, but on the will of the people.

On August 04, 2013, Vladimir Putin, the Russian president, addressed the Duma, (Russian Parliament), and gave a speech about the tensions with minorities in Russia:

"In Russia, live like Russians. Any minority, from anywhere, if it wants to live in Russia, to work and eat in Russia, it should speak Russian, and should respect the Russian laws.

If they prefer Sharia Law, and live the life of Muslim's then we advise them to go to those places where that's the state law.

Russia does not need Muslim minorities. Minorities need Russia, and we will not grant them special privileges, or try to change our laws to fit their desires, no matter how loud they yell 'discrimination'.

We will not tolerate disrespect of our Russian culture. We had better learn from the suicides of America, England, Holland and France, if we are to survive as a nation.

The Muslims are taking over those countries and they will not take over Russia. The Russian customs and traditions are not compatible with the lack of culture or the primitive ways of Sharia Law and Muslims.

When this honourable legislative body thinks of creating new laws, it should have in mind the **Russian national interest first**, observing that the Muslims Minorities Are Not Russians."

The politicians in the Duma gave Putin a five-minute standing ovation.

Russia's President Vladimir Putin is also going to visit Iran soon to help bring peace to the region.

The ongoing shift of Middle East power away from cabal control is of course going to affect Israel and the controllers of the old petro dollar system. Perhaps that is why the White Dragon Society was contacted last week and asked if it would be possible to go through Canada to make liquid some now frozen funding. This request coincided with the start of a four day visit to Israel by Zionist slave Canadian Prime Minister Stephen Harper.

By the way, I have been informed that David Rockefeller has ceded control to Sen John D. Rockefeller IV and Evelyn de Rothschild has ceded clan leadership to Baron David de Rothschild.

So, according to my latest intelligence the 5 points of the pentagram consist of: -

Queen Elizabeth, Papa Bush, J. Rockefeller, David Rothschild and the Satan worshipping Pope."

George Green: Well, Putin said it. He says the same thing. He urged – this was in the newspaper. I got this two years ago. He

told all the Russians, *get your dollars out, put it into gold, United States is going to go into a massive depression. And, put it into*

gold and put it into other currencies. So the Russians have started to do that. *April 2008 before Putin was taken by the Elohim*
