

but first: compare
1977 to 2022

We are in 1346C.E. There is 45 years between the 1977 photo caught near Windsor NSW, and the 2022 shot caught by phone above my farm at Central NSW. You can see the same golden cube & electron cigar craft of the Tau Cetians. With the same black cubes seen in the artwork, attributed to S. Mainardi j466-j513CE*

THE MADONNA WITH SAINT GIOVANNINO, 5TH CENTURY:

See the little black cubes leaving their "walnut" shaped mother ship in the art of the late 400s above, a fb friend Thomas Clinton Scofield found the same object in nano-form at Mike's left eyebrow, with a strange entity inside it.

1977 photo by my sister Cathy, Uncle Ray Aunt Bern & Michael

The original shots

My kid sister took this in 1977, left for Holland, and only sent me the shot in September 2021.

While taking the top shot I did not see the gold entities in the forest, but I did get their craft

*S. Mainardi j466-j513CE. Comparing all the works of Sebastian Mainardi opposed to others attributed to this art from before 466, it seems to me his fashions match more closely.

James B Lindsay updated his cover photo. May 3

Here is a post which appeared on fb...

It shows four golden cubes and the cigar electron craft of the Tau Ceti DOREAN at some incident that required their arrival. In the Template there are 12 lines with the word 'DORLEAN' which is L DOREAN, with runic L being Pisces in which sits Tau Ceti. Linda Moulton-Howe in 2008 wrote articles INTERVIEW WITH WILLIAM with he speaks of Tau Ceti in a 'blimp' type 'airship'. The word "dirigible" was also used, not to be confused by CYLINDER

IQ CURBED = the truth not published, now why would that be ?

It has ALWAYS been royal policy NEVER to “complain nor explain”, so when one sees tweets or blogs purporting to be from the palace no matter what the content is, such as “the queen is NOT dead” TAKE IT WITH A LARGE GRAIN OF SALT.

The BEST reason for NOT telling the world she has died is the legal one. In reality she had no legitimate claim to the throne in the beginning This is a subject the reader best go re-search for themselves to understand it.

5 reasons the Vatican is run by reptilians

- IQ CURBED here refers to the intelligence agencies such as MI5 or MI6 : which did put an immediate damper on any news leaking regarding her real death, so saying QEII died the first time, in year of the Rooster, 2017. It takes 8 months for a new best quality clone to be printed out, she died in “IULI BILE COCKEREL” date. Bile is June 10 to July 7, so come the xmas message her new clone was not yet ready. This was why that xmas 2017 had a stranger giving the public that christ mass greeting, snaggle toothed and brown eyed. The queen OWNED the cloning centres.
- (I had thought I got the year wrong as “SIXTEEN” 2016, published in 2015, but she may have been kept on ice like they did with prince Phillip).
- One would think that the Canadians would have someone in the know regarding things like the death of a hated queen. If we all look very closely at Charles, we will observe a baby pink faced imposter. A clone itself, which is beginning to dysfunction... see his swollen hand – which may have been the reason one of the sixteen cloned Trumps was wearing black gloves.
- As for Mr. Reading whose 2005 ‘prediction’ of a 96 year old, (which number 12 goes into by 8 times, both reptilian base numbers), QEII dying in 2022 supposedly stated by his idea in Nostradamus’ numberless source... one which, once one has the *Triple Method*, (not published until March 2013), one can extrapolate not only the Presage year, but thereby her age, easy to do with a cronor visor. Something the writers of *The Simpsons* have without doubt.

The easiest way in which to Ritually Mock the public is via the household TV. Yet, as it turns out, Mr. Reading was not correct in his Nostredamus prophecy, with QEII dying late 2016!

Still, the Ritual Mocking was Accomplished by both FRONTMEN, Mr. Reading, AND Matt Groening with *The Simpsons*.

This OOPSY Sky News appeared September 22nd 2022 on facebook

Oopsy. They've just admitted on Sky News that the Queen has been "Lying in State" for the last 4 years in Westminster Hall. 🤡

"Lying in state is the tradition in which the body of a deceased official, such as a head of state, is placed in a state building, either outside or inside a coffin, to allow the public to pay their respects. It traditionally takes place in the principal government building of a country, state, or city."

Scholars who really want to work with Nostradamus need to realize they should be using only publications done WHILE HE WAS ALIVE, excepting for Chavigney

These are not individual nor occasional episodes. I have often captured the same thing here in central N.S.W.

Do you still think this is being done by humans? By that I mean Earthlings...

These are from Sirius & this is all part of the Defoliation-oxygen reduction agenda, additional to all the harmful sonic frequencies produced by towers worldwide. Turning off the towers grid is not enough because they have back up power sources at the base of the tower.

The "poisons street trees" and "defoliation" text lines and their agenda has not been published yet. The oxygen depletion program includes the oceans and seas which also make oxygen for our planet. Hence Fukushima

What is the Tau Ceti Vested Interest in Earth?

L.M.H:

IF ZO IS FROM TAU CETI AND HAS SOME VESTED INTEREST IN THE EARTH, WHAT DO YOU THINK THAT VESTED INTEREST IS IN THE EARTH?

Apparently we humans and Zo's people come from the same place. They just want us to catch up so we can re-establish the relationship that we used to have as two planetary civilizations.

Other Non-Human Species Using Earth

L.M.H.

WHAT IS THE TAU CETI PERSPECTIVE ON THE GREYS AND THE *STANDING UP LIZARDS*? See MESSSSSIAH pdf

They told me and showed me the *standing up lizard people are dangerous*.

THE SANDY-HAIRED TAU CETIANS ARE ALLIED WITH THE EPSILON ERIDANIS. 'Footstool of Orion' in the Orion Group

WHAT MORE DID ZO SHARE ABOUT WHY THE *STANDING UP LIZARDS* ARE DANGEROUS?

He just said they would eat us. They would enslave us, use us for whatever tasks they might need us for. They have no perception of what it means to be hurt, the way we humans experience pain and mistreatment and that they would eat us.

They would actually farm to collect babies to eat them. [NOSTRADAMUS SAYS THIS IN THE HIDDEN TEXTS]

"It was eighteen years later in 2009. There is something nuclear that takes place. One of the things I saw in the **black cube*** was an aircraft carrier and I saw there was something that happened that caused nuclear missiles going back and forth and this whole mess that pulled the whole world into it."

*black cube – *having fallen into Amaru Maru in Peru, William sees timeline information in an Orion black cube.*

Why would off world interests firstly allow him to find a black Orion Cube, then why feed him information from it?

L.M.H.

IS EVERYTHING YOU ARE SEEING INSIDE THE CUBE? WHERE IS ALL THIS OCCURRING?

So, this was the cube and it was many years later (1969 to 1998, twenty-nine years) that I would see something similar in Peru. It was a location near Lake Titicaca at 13,000 feet above sea level in a strange outcropping of rock that the locals have called the “Doorway of Aramu Muru.”

Your feet were on the floor and there in front of your feet - probably two feet in front of your knees - was this big, black cube. This was just a matte black, like a cube box painted flat black paint. Inside the cube. The cube has become very transparent at this point. You can look inside of it, kind of like looking at a TV. In one instance, I got up and moved around and that changed the perspective of my view, so it was like it was all being generated holographically in three dimensions within the [black] cube.”

Mentions planned flu pandemic

I saw there were diseases and these diseases were very fast. It diminished the populations of the poor and hit some of the rich as well.

WHAT KIND OF DISEASE?

I don't know except like the flu. When there have been reports about the bird flu, I thought maybe that's what this was that I had seen. But I don't know.

LMH

....“The biggest fear was that the virus would mutate to go from human-to-human in a worldwide pandemic equivalent to the 1918 Spanish flu pandemic that killed millions of people around the world.

Then the plague happened and it all went into a very dark time. Then the church became the strength and the power simultaneously and that's when it all changed because at that point forward, that's when world domination was starting to take over again.”

“THIS WAS DONE BY THE POINTED CHIN GREYS AND THE BLACK HAIRY ONES TO PREVENT THE HUMAN POPULATION FROM ADVANCING WITH TECHNOLOGIES BECAUSE THAT WOULD UPSET THE ALIEN APPLE CART?

“If we, as a human species, were to advance past a certain point at that juncture in Earth history, I guess they were afraid we would then see who they really were. They had not made much mystery about the fact they were here.”

THESE THEN WERE THE DEVILS OF HISTORY?

Yeah, exactly, and people would wake up to that and then there would be trouble for them. Instead, it was all thrown back into a pit full of myth and weak belief structures.

LMH

FIGHTING THE DEVILS, DRAGONS AND BAD PEOPLE HAVE BEEN THE BLOND ARCHANGELS SUCH AS MICHAEL, GABRIEL, URIEL AND RAPHAEL. WHO ARE THOSE ARCHANGELS?

I don't know. I've often wondered about that and if they were/are extraterrestrials.

LMH

LIKE TAU CETI SANDY-HAIRED TALL ONES. (OR FALLEN PLEJARIANS? hmp)

That's how they look. Zo and the other Tau Cetians aren't as swashbuckling as the paintings I've seen from history of the archangels, but overall, Zo and his colleagues look very similar.

TODAY, DO YOU WONDER IF THE ARCHANGELS WERE THE TAU CETI BEINGS INTERFERING WITH THE GREYS?

I think that those from *Tau Ceti and their immediate alliances* are trying to upset the apple cart of those who have enslaved this planet.

LMH

THEY ARE TRYING TO FREE HUMANITY?

Exactly! And I think that's been their motive all along.

LMH

WHEN YOU SAW THE BLACK CUBE IN 1969 (AGE 16), WHAT DID ZO SHOW YOU ABOUT EARTH'S FUTURE?

“That was the thing that was the most disturbing because he (ZO*) showed me a progression through time. The whole scene was so disturbing that I remember when I got home, I just laid down on my bed and started crying because I was really, really afraid. I couldn't believe this was actually going to happen.”

SLIGHT ANOMOLY IN THIS STORY

(*ZO) *The black cube is known as the Orion Cube (illustrated herein) by which such agents such as the pen.tag.on has been deriving technology. Did William get sidetracked by black cube influence? It did happen to me. Somehow we have gone from being assisted throughout his lifetime (“William”) to become what? A front man? Many of his timelines as told to him simply have not eventuated in those years. Yet the events themselves are arriving. This all seems more like another Revelation of the Method to me. It is the Orion Group (allied the Sirius group) that introduced the use of satanic majick via Aleister Crowley, introduced the reichs (which won WWII) and*

is introducing their methods of herding people just like cattle and for the same reason, apart from the trans- human agenda, which we see on the Hopi Prophecy Rock, and which we experience daily bit by bit with children like frogs in a slowly boiling pot, literally glued to their tablets and phones.

These human children are not in any way form or matter being taught how to be self reliant & responsible for life.

“What I was seeing in the black cube was first a picture of the Earth as though we were in orbit.

While in orbit, I was seeing the Earth revolving like a big, 3-dimensional blue marble. I could see there were areas that were being shown to me where there were massive amounts of contamination.

The things that were happening to people – they were being poisoned by industrial compounds, being poisoned by things in the water. Water was starting to become just bad and the air was becoming bad. And this was taking place in time a little later because that was 1969”.

LMH: Interview with William

“The disc is creating a strong field around it that has a charge* that causes things to be repelled or pulled towards it. ... I was warned that if I saw the discs coming down to stay away a good distance and then they would let me know when it was safe to come up to the craft.” - Arizona Abductee who was 2.04 meters (80.5 inches), which is 6 feet 8½ inches.

The image he provided is a SIRIUS VRIL CRAFT

SOUNDS LIKE VRIL PROPULSION TO ME –

In Allan Webber’s *Template of Anagrammed Quatrain Lines*, there are 59 mentions of RADON.

See the dangerous rays affecting the Aztec/Inca Mayan, and the reason for their flat topped pyramids becomes clear.

Notice he uses a computer, or maybe a cronor visor, There are artifacts showing the ringlord’s haoma too, the same on walls of Sumer and Ur

(The Golden cube’s Cigar Craft does not [these days] have propulsion that has this affect)

“Apparently what is happening is that the disc is creating a strong field around it that has a charge [EMR] that causes things to be repelled or pulled towards it. I know on many occasions I was warned that if I saw the discs coming down to stay away a good distance and then they would let me know when it was safe to come up to the craft. Also, they would not leave until I was far enough away because I’d be hurt by the rising craft.”

- o JABIRU-RAJ now we begin to see why we had to learn about the Benu-Crane-Grus-Heron-Ibis. When the Leo Rising Sphinx was constructed in the image of Ninghizzida/Thoth,(the **Ibis** headed) to commemorate the design of the Giza Plateau in the formation of GRUS/BENU, this was representing those who came from the constellation Grus in league with ('spun by') one of the Ursa or Pleiadian Anu factions. The missing fourth pyre-amid which was still in situ at 1770, is testament to the form of the bent winged bird whose tail goes from the Benu caves (since renamed by Hawass as the Cave of Bats) all the way under-ground north east to Buceggi and whose long head and beak go all the way south by south west to Al Faiyoum. This is only seen from a height of 150 kilometres up. The RAJ connection refers to the British 'Empire' which has always been the primer of more modern worldly events – in order to gain wealth power, and “ownership” of musch of the planet, for a minority.

- o so, here is one clue for us to understand the man-made weather patterns – they relate to certain co-ordinates, i.e. those which happen to sit only on land, at crucial demographics. I have seen the acronym A.C.E. and can't recall it, other than in A.I. This line also tells us that the alien 'gift' of quantum computers is arranging the weather patterns, that they can control the qubits using sine waves (sonic frequencies)...

Nostradamus is in a cronus visor.

This is the manner he arrived in my environment five times. The ring itself is made of light (at my end) with the bottom feature appearing heavier than the top of it, just as it shows here.

He can put his arms through it into my dimension

This is one of the fixed seven forms of “conduit” but visitors to our dimension/s have brought with them technologically advanced “conduits”. The Elohim say they alone can “craft time motile”. *

* “craft time motile”. *This also means that their cube and orb craft propulsion (motile) is time.*

The other two visits by Nostradamus to me were full body arrivals, one partially in our dimension – lacking colours, and the other fully and touchable in our time frame. The only thing missing was smell.

There are 47 Template lines with CERES in them; telling us that those from Sirius camp there and run our moon and the natsi reichs/empires' from there. The natsi (Vril) were those in charge of vat.i.can, mon.archy, pen.tag.on, NIV. NWO, all alphabet agencies, those fallen ones under Antarctica, Aleister Crowley, and M.I.M.I.C., the Military Industrial Media Intelligence Complex. The latter runs cloning centres, copiests, virtual media, genetic manipulation of everything, prince will.i.am/SERCO which owns jails, I.T.E.R., particle colliders and Obamacare. Along with Ritual Mocking/Revelation of the Method, which is what biblical Revelation is.

They also run the chemical trails, the defoliation agenda and the frequencies push. When you see space craft in the western hemisphere, those craft are theirs, mostly for the Secret Space Program which began 1922 (the same year the “Gregorian” calendar was ‘accepted’ world wide.

The Grayles (“adult” ‘zeta’ grays) live and propogate deep underground, using and abusing children to trade adreno-chrome off world, (recall the S.S. Officer on board with Betty and Barney Hill in 1961), *are the same of Phil Schnieder when he said: “New World Order and alien invasion are one and the same thing”.*

SO – *When we find that the Elohim Alliances for the Living Library are the only ones who can make time motile – yet are still fettered by their first principle of FREE WILL – now we can see why the negatives continually take advantage of the positive ideal.*

Pay attention to the date imprinted on the opening, Summer 7171.

The "year of our lord Adam" of which Agafya spoke, for those who have not realized – is the beginning of the history relating to that part of Genesis which describes the advent of the slave human race.* Dated to the day we stand in as 7, 530 years gone by. Up to J680, that was two Fifth Suns ago.

So, if we take December j680 which was Ison-WORMWOOD, from 1346CE, we get 666.

This explains SO MUCH about the Satanic Agenda. Those who work by numbers and where the stars sit, which is why they fiddled calendars in order to bring the Age of Aquarius forward, with over 1200 yet to go.

The word "medallion" is probably not the correct description. It looks more like a manhole cover...

Recall that all "monarchy" are run by off techno-world trade interests, and have done for millennia, which is why there are griffen and space craft appearing on the Hastings-Bayeux Tapestry of i495-6.

In this manner adding 1,000 years in January i583 Then when the new age had frozen the Thames, Danube, Nile and Potomace overnight, prince Otto living in J676, began July as Yule of 1,000. In one swoop losing 324 years. Greco-Roman bull-edicts went to Greece at the time. Therefore 1000 too many, to remove, + Add back 324 results in still too many by 676. 2022 less 676 = 1346 C.E.

EPILOGUE

For Mudflood students

First, the mudfloods were world wide... even under Sydney Australia.

Second, they occurred every FIFTH SUN

and sometimes during the in-between Blue Kachina visit

Third, there are witness reports¹ during the Ison-WORMWOOD visit of J676, J680 to J716 of water gushing out of the sides of the Pyrenees. This should be compared to the mid 800s

Madrid Fault geysers of mud.

How did this happen? You ask...

We all become as a pin ball machine game when the incoming other part of our complete solar system arrives, once in every FIFTH SUN (so, twice since Genesis of the 7530 years ago part...) an alignment of Nemesis, half the size of our sun, Nibiru, 14 times the size of Earth, and Urri', same size of Earth but a solid metal planet: causing a pull on the waters on, and inside our planet.

As our planet turns on its axis, that pull remains solid; affecting those waters closest to the alignment. In this way the entire world as she daily turns suffers gravitational and very wet chaos. It was this effect that gave us the J718 map of UK with only its mountain peaks peeping (which then froze to become a mini ice age). California rejoined the mainland during this occasion.

This water all pulled from below covered the planet in a mud blanket up to 20 feet thick (6 meters). The fact Newton never spoke of any of this disruption through which he lived, tells us he had been censored after his passing.²

It is here we need to discern the differences in *mummified, petrified and fossilized*: for purposes of reaching a date and comprehending the other geological studies needed. For instance, the magnetic "north to south" reversals held within rock, which has happened "at least a hundred times" according to Geologist Eric Gonthier. Since the Younger Dryas.

Right at the very moment (Sept. 2022) all the constellations are on the wrong side in reverse, since January 2022, and no one has noticed. They are back where they were when young Cesar was painting the "Lost Book" of vignettes for his crippled father around J560.

With us in 1346C.E. making that 786 years ago, a full era between Nemesis visits and Hevelius warning us with his woodcuts around J686 and J687. Showing us how they were in J686, and in a ciphered illustration how they became by J687. He died the same month.
